

Registering Under a Special Consideration

If the request is for assistance with participation fees, follow the steps below to be registered under special consideration. If payment is needed, it will not be required until after your grant request is reviewed. *If the student is participating in an activity where a participation fee payment is not collected upon registration (example - show choir), follow the normal registration procedures.*

1. If the student qualifies for free or reduced price lunch and educational benefits, they can request a waiver or reduction of fees from the district using this form here: <https://bit.ly/3krWsqD>
2. If a student is requesting help with participation fees from BKAF, they should visit the JFK registration site and register their student using one of the two "Special Consideration" categories as shown below: <https://www.bloomington.k12.mn.us/khs/activities-athletics/activities-athletics-registration>
3. Forward a copy of the registration confirmation to bkafmn@gmail.com
